Sir:

This is a response to the Office Action dated March 24, 2005, the period for response being extended for three month from June 24, 2005, to Saturday, September 24, 2005, thereby allowing for timely filing on Monday, September 26, 2005.

REMARKS

In the Office Action, claims 5-7 were rejected for obviousness-type double patenting based on claim 1 of U.S. Patent 6, 730, 464, which U.S. Patent issued from the parent application of the present application, viz., U.S. Application No. 10/181,475. Claim 7 was indicated as being rejected under 35 U.S.C. § 112 and/or 35 U.S.C. § 101 because the claim recitation set forth a use without reciting specific steps.
